\$1.00 per Year.

Friday, July, 16, 1897—CHANUTE, KANSAS—Friday, July 16, 1897.

VOL. XXV, No. 43.

TALE OF TWO COUNTIES.

As Sent in by the Times' Correspondents from Neosho and Wilson Counties.

Erie.

Tuesday, July 13.—C. Payne, one of the best school teachers in Neosho county, was in town Monday.

R. J. Barkley, the hustling poultry dealer of Chanute, was in town Wednesday.

Miss Tillie Nation returned home Friday from a short visit with relatives at Lansing.

C. E. and Joe Allison were called to Illinois last week by a telegram announcing the death of their father.

Prof. J. M. Nation and family, of Valley Falls, are visiting with County Treasurer, Seth Nation and family.

W. H. Powell, who is in the real estate business with Ed McClelland at Chanute, was in town on business Wednesday.

W. E. Cutler, dentist of St. Paul, spends half of the time at this place; Mr. C. has a fine office at this place and is kept busy.

Republican politicians are numerous, and are hustling a job in the court house, but most of them seem to want to locate a claim in the county clerk's offices.

Farmers in this vicinity are well pleased with their wheat crop. The increased yield and increased price over last year is bringing considerable money into the country and renews their confidence in Kansas farms.

There was but one jury case tried at this term of court, and that was The State vs. J. H. Rickel, charged with burglarizing John Carter's store last fall. Judge Stillwell dismissed the jurors, not sitting on said case Wednesday forenoon, and they went home the same day.

The sole topic of conversation here is the proposed pardon of Willie Sells. With very few exceptions, the pardon is universally condemned. Among those who were here at the time of the murder, it is beyond the comprehension how any sane man can believe in Sells' innocence. The action of certain parties, either from selfish or pecuniary motives, who are trying to get him pardoned, is universally condemned; such mawkish sentiment is responsible for mobs and contempt for the law.

The Republican Central Committee met at the Arlington hotel Wednesday afternoon, every township and precinct in the county being represented. Monday, August 2nd was fixed as the date to hold the convention to nominate a county ticket, and Saturday, July 31st was recommended as the day for the several townships and precincts to meet and elect delegates to the same. Most of the townships will hold their caucuses at 4 o'clock of said day. It was decided to base the representation on the votes cast for secretary of state at the last election, each precinct being allowed one delegate for each 20 votes or majority fraction thereof cast for W. C. Edwards for secretary of state.

Cases are disposed of in the Neosho county district court to date as follows:

State of Kansas vs. J. H. Reckel, trial begun Wednesday at 9 a. m.

State of Kansas vs. Ted Lewis, dismissed. Debt. plead guilty before J. P. and fined \$100 and given 30 days in jail.

State of Kansas vs June Williams, charged with grand larceny; will go to the reform school.

The St. Paul and Thayer teams crossed bats at St. Paul last Sunday. St. Paul came out winner to the tune of 16 to 15.

George Gelwix is having the old drain from his cellar dug up and a new one put in instead. The new one will be somewhat deeper.

W. B. Race and family and Henry Shepherd and family, who went to the woods of Arkansas for a month's outing some time ago, are home again.

Ed Sullivan and John Sampson went to Neodesha Tuesday morning to assist the Cherryvale team in a match game of ball between them and Neodesha.

Rube Hays, Harry Welsh, and Albert Nelson, who went to the Territory several weeks ago with Wm. Curry's

threshing outfit, are home again. They will not go back.

We suppose it will be in order for the Times to have "Chapter IV" this week concerning the Newland-Wininger deal, as there are several new developments in the case.

Shaw.

Wednesday, July 14.—Dr. Johannes Rudbeck, late of Chanute, is now occupying the Haviland property, where he is most thoroughly equipped for all kinds of business in his line. He recently received a large invoice of drugs and medicines, and has a complete set of surgical instruments and a thorough and up-to-date library, all of which, in connection with his good reputation as a doctor and his go-ahead spirit, assures him a good practice in this vicinity. Although having been permanently located here but a few days, he has had several calls to the country and considerable office consultation and practice. We welcome him to the best town of its size in the state.

Mrs. A. P. Allen is visiting friends in Erie.

County Superintendent Frazier made a trip through Shaw last Monday.

Writing items is a good deal like running a newspaper. It is a task to suit everybody.

Everybody seems to be at work and there is considerable demand for good work hands and teams.

As anticipated, the Shaw boys laid it over the Galesburg fellows last Saturday at baseball to the tune of 19 to 4.

Our weather prophet's prediction that there would be no overflow of the Neosho this year promises to be about right.

Charley Fanata returned from Kansas City last Tuesday, where he had shipped another car load of hogs, reported to be the best lot ever shipped from this point.

Rev. John Foore, of Tompa, Ariz., will preach at the Christian church tomorrow night, Sunday and Sunday night. There will be a basket meeting in the grove Sunday. Bring your dinners.

The Times editor was browsing around among the jack oaks last Tuesday, adding to his subscription list and receiving the congratulations of his republican and pop friends on getting out one of the best newspapers ever printed in the county.

A wave of prosperity or some other kind of a wave has struck Shaw and stilled the clamorous rantings about concentration, per capiter, plutocrats, demonitization, contraction, finance, etc., etc., which for 10, these many years in the past, were continually being aired for the enlightenment of suffering humanity. It is a good sign of better times. Woe and wail won't kill weeds. Howling and growling won't make the corn grow. Of the immense crop of wheat and oats raised and harvested in this section, not one grain of it was raised by bellowing. Surely things have changed, and under the existing order, Shaw is rapidly coming to the front as a good grain market, a good business point and a most prosperous and progressive village.
